Enthusiastic & attentive equestrian with a lifelong passion of providing care for horses. Consistently takes a horse-centered approach with a genuine belief that equine welfare & well-being is the key to high performance.

## EXPERIENCE

### **Copper Hill Stables, NJ — Jumper Rider & Groom**

October 2023 - PRESENT

Working at a well established Hunter/Jumper show barn offering lessons & competition to all levels of rider. Responsible for preparing horses for their lessons & providing horses with great care tailored to their individual needs.

### **Be Well Equine, CA — Holistic Equine Veterinary Assistant**

March - April 2024

Apprenticed with holistic equine veterinarian, Dr. Heather Mack, VMD. Practiced interacting with equine muscle groups, acupuncture points, energy meridians, and equine chakras. Responsible for using veterinary lasers to activate the equine parasympathetic nervous system.

### **Hilltop Horizons Therapeutic Horsemanship, PA — Adaptive Riding Volunteer**

August - December 2021

Assisted in improving lives through the integration of equine assisted services like adaptive riding & occupational therapy.

### **Knightsbridge Stables, NJ — Equitation Rider**

June 2010 - August 2014

Rode & competed with Mary Babick, USHJA President, as a junior equitation rider.
